Introducing oshea projects ltd.

Oshea projects Limited is a reputable engineering outfit offering wide range of services. Incorporated in the year 1993 in accordance with the Companies and Allied Matters Act of 1990, the company has its corporate office presently at 42, Ajose Street, by PHCN Substation Mende, Maryland, Lagos.

Oshea Projects Limited has a formidable team of competent and experience engineers and technicians whose experience span more than a decade in the engineering industry. Our corporate mission is to provide unparalleled quality services to the satisfaction of our clients.

The company offers the following **range of services.**

Electrical Engineering

- Rural & urban electrification
- Electrical reticulation in building & industries
- Substation planning, erection & maintenance
- Telecommunication & radio links
- Lightning protection & earthing systems (Building & Oil Installations)
- Fire alarm & security systems (planning & installation)

Mechanical Engineering

- Plumbing installations (Building & factories)
- Air-conditioning services (Buildings & industries)
- Plants & equipment specifications and evaluation

Our Bankers include:

- FCMB
- UBA
- Wema Bank Plc.
- Sterling Bank Plc.
- Stanbic IBTC Bank Plc.
- Zenith Bank Plc.
- GT Bank Plc.
- Access Bank Plc.

We attach a brief outline of some of the schemes in which we have been involved recently and you will see that we have been successful in helping our largely varied clients in the private, corporate and government sectors of the economy. It will be a pleasure to receive your enquiries on engineering projects and consequently proffer solutions to your technical problems.

Our Vision

To be an Efficient Global Organisation
Rendering Qualitative and Excellent
Engineering Services.

Mission Statement

Providing Professional Services with
Strong business Ethics and Integrity
with a Workforce well Motivated,
Committed to Customers' Satisfaction
and Delivering Values to our
Stakeholders.

ENGR. OLATOKUNBO OSHOKOYA

An alumnus of Obafemi Awolowo University, Ile Ife, with over 30 years cognate experience in his kitty. The visionary and the head of the Oshea Team, Oshokoya is a man of many parts. He is a registered electrical engineer with vast experience in electrical designs and installations. An exemplary teacher and leader who wants to make all persons around him attain greatness. He is a registered member of The Council For The Regulation Of Engineering In Nigeria (COREN) and a firm member of The Nigeria Society Of Engineers (NSE)

Oshokoya has consulted for and executed projects for numerous corporate bodies and high networth individuals in Nigeria and abroad. He had his last work experience at the prestigious JKN Ltd, Ilesamaja, Lagos as Contracts Manager (Projects) after which he started Oshea Projects Limited in 1993.

Notable management positions Engr. Oshokoya has held include:

- Head of Contracts Division at Kelly Roget Limited, Apapa, Lagos.
- Contracts Manager (Project Sites) at JKN Ltd, where he handled prestigious projects like;
 - “The Club” Project for Sheraton Hotels, Ikeja, Lagos.
 - Upgrading of HT power supply and replacement of HT & LT switchgears for Metal Box Toyo Glass, Agbara.
 - Contract planning, materials, management and supervision of 13-floor Unipetrol Building at Ajose Adeogun Street, Victoria Island, Lagos.
 - Electrical Designs for Medium & Executive dwellings, Niger Biscuits, Apapa, Lagos.
- Projects/Sales Engineer at Brown Boveri (Nigeria) Limited.
- Electrical Engineer at Teletrik Group Engineers, Ilupeju, Lagos.

BOARD OF DIRECTORS

AVI ROZMAN

Mr. Avi Rozman is currently the Technical Director at Oshea Projects Limited. He is a seasoned engineer with up to 26 years of experience. Mr. Rozman was educated in University of Haifa, Israel and has worked at various engineering positions in his native Israel, Angola and Nigeria, before joining Oshea Projects Limited. He possesses high analytical skill and has the magic wand to navigate the Technical and Management sides of the business, geared at satisfying and meeting our clients expectations and delivering values to our stakeholders. Mr. Avi last worked in Nigeria as Project Manager with Etco (Nigeria) Limited. Outside Nigeria.

Mr. Avi has worked with Haifa Oil Refinery Ltd, Isreal, Elco Contracting and Services (1973) Ltd, Electco LDA, Luanda, Angola and so on.

MR. AVI ROZMAN
DIRECTOR

PHILOMENA OSHOKOYA (DIRECTOR)

Mrs. Philomena Oshokoya graduated from the then University of Ife (now Obafemi Awolowo University) in Food Technology. She came in as a director from the inception of Oshea. She is a graduate of Nigeria Institute of Management and possesses a Post Graduate Degree in Education from the University of Lagos. She is a shrewd administrator and has assisted to weather Oshea through the storms and several challenges.

TOMI AKINSEYE (DIRECTOR)

Mrs. Oluwatomisin (a.k.a. Tomi) Akinseye has been a member of the board of directors of Oshea Projects Limited since 1994. In addition to her position as a director in the company, she has functioned as a Projects Administration officer, carrying out general administrative work on construction projects both in Nigeria and South Africa. She holds a B.Sc. (Hons.) in Surveying and Geoinformatics, from the Faculty of Engineering, University of Lagos, Nigeria. She obtained her Master of Science in Engineering degree from the University of the Witwatersrand's School of Mining Engineering. Her M.Sc. area of specialization was Mineral Economics. In continuing her studies in the 'Mineral Economics' discipline, she is currently registered as a Ph.D. candidate at the same institution.

As a multi-skilled professional, she is also an Engineering surveying lecturer at the School of Mining Engineering, University of the Witwatersrand, Johannesburg, South Africa.

MANAGEMENT TEAM

ADEDEJI JAIYEoba

(Manager, Commercial)

Adedeji Jaiyeoba has been one of the most consistent staff of Oshea, having put in close to twenty years in the organization. He is a graduate of Electrical Engineering from The Polytechnic, Ibadan and has since attended several courses in Electrical and mechanical engineering and project management. He has acquired special interest and skills in commercial engineering, which has earned him the strategic position of Manager, Commercial in charge of project costs, procurements, valuations and tendering & negotiation processes.

OYELERU M. ABOLARINWA

(Manager, Admin/Personnel)

Abolarinwa joined Oshea in 2000 and has risen from the ranks to the position of Head, Admin/Corporate Services, responsible for administrative roles including sourcing and placement of personnel, materials, tools and general assets, corporate imaging and branding etc. He is an alumni of University of Lagos and also bagged Advance Diploma Certificate in Human Resources Management from the same institution.

OKORO P. KENNETH

(Project Administrator)

Okoro has been in the Oshea fold since 2002. He is a graduate of engineering from Lagos State Polytechnic, Ikorodu. He has since attended several Project Management Courses and have acquired relevant site management skills to execute works, especially mechanical services. He is one of the Senior Project Administrators in the Oshea pool. Okoro has since managed several projects for the company including Dove Courts, Makoko, Luxury Terrace Development at Ruxton Road, Ikoyi etc.

AIREBAMEN GODWIN EHIME

Mr. Godwin Airebamen joined Oshea projects in 2014. As a qualified accountant with about 17 years experience, he has since restructured the accounting and financial management of the business. He is an alumni of Federal Polytechnic, Ado Ekiti where he obtained his Higher National Diploma in Accounting. He is also an Associate member of the Institute of Chartered Accountants of Nigeria. Mr. Airebamen has previously worked with Computer Warehouse Limited, Multi Dimension Tech Limited, Dunlop Nigeria Plc, Air Separation Nigeria Limited and Kemeng Nigeria Limited.

MEMEDO MYRO

Memedo is one of the new entrants into the Oshea family. He is a Mechanical Engineer with more than fourteen years cognate experience. He attended Yaba College of Technology and has worked with various engineering companies including CA Consultants Limited and FAO Philips & Associates. He currently heads the Mechanical Department of Oshea Projects Limited.

KEHINDE SUNDAY

Engr. Sunday Kehinde is an Electrical Engineer with seven years cognate experience. He attended Ladokpe Akintola University where he bagged his Bachelors degree in Electrical/Electronics. He last worked with Consultants Collaborative Partnership, a leading consulting firm in the country. He currently heads the Electrical Department in the organization.
